

Big Sun Co-ed Adult League  
Referee Policies

- 1) Referees are expected to read and fully understand our league rules and enforce same as written including the full check-in of player with regards to passes, uniforms, equipment and jewelry.
- 2) Referees are not allowed to override the league rules with players/captains. Example: telling a player they don't have to serve in full uniform or that a player doesn't have to leave after a red card. If there is an issue and an exception is requested then the referee must get approval from a Big Sun Adult League Board Member.
- 3) Referees are expected to be at the fields 30 minutes prior to game time to get their assignments, any instructions as well as review of the fields for safety. If a referee is unable to fulfill his/her assignment he/she must immediately contact the adult league assignor.
- 4) If the game starts and it reaches half time - the game counts and the referees are paid in full.
- 5) If the game does not start or the game is rained out in the first half = game abandoned then referees are not paid. Every effort will be made to reassign the same referees to the rained out game(s).
- 6) If a game is a forfeit because one team did not show up or doesn't have enough players to start the game pursuant to the league rules then the game is called a forfeit and the referees are paid.
- 7) Current 2010-2011 pay policy is \$50 for center and \$25.00 per assistant referee per game.
